

ID Badge Procurement

Submit a service request for new or replacement building access card

1

After submitting a service request for an ID badge, check your email for the "Application for Photo Identification for Building Access" form* for you to print and fill out.

2

Take a clear photo of the completed form, along with a headshot the employee**, and return via the original service request.

3

The employee can pick up their new ID badge at the Building Management Office (111 W 33rd St, Suite 1101).
